Respected Sir/*Madam*,

Sub: Inputs for revision of curriculum.

Legal education has to cater to the needs of contemporary society which are challenging and demanding. To impart legal education which is professionally competent and socially relevant, the key factor is to fine-tune the curriculum. In this direction, the Karnataka State Law University is undertaking the exercise of revision of curriculum of law subjects taught in undergraduate programmes. Your valuable and concrete suggestions along with those of your faculty members in this regard are requested. The suggestions will be placed before the appropriate authorities for consideration. The suggestions may be sent to the under signed by post or emailed to ksslulawschool@gmail.com by 15th October 2014.

Thanking you,

Yours faithfully

C.S. Patil
